

GREAT ATMOSPHERE WITH TALENTED RIDERS

You don't get any closer look to the MotoGP world during a Team Experience at Fieten Olie RW Racing GP. Fieten Olie Racing GP is the only Dutch team in the Grand Prix paddock. The team has a lot of experience in the Moto2 championship. RW Racing GP has two young talents in squad with Barry Baltus (19 years) and Zonta van den Goorbergh (18 years). The results of both riders are getting better and better, which is of course a great experience to keep a close eye on during our Team Experience

Barry and Zonta are happy to talk to you about their experiences at the track. Team manager Jarno Janssen is also available for our guests and gives you a look behind the scenes. There is a relaxed Dutch atmosphere in the whole team. Hospitality manager Hans, together with the SportTravel tour guides, will take care of you during the weekend and make it one of the greatest experiences of your life.
